WORKING TOGETHER, WORKING SAFELY DURING COVID-19

Updated July 1, 2021:

To Our Valued Customers and Partners:

ICONIX remains committed to prioritizing the health and safety of our employees, customers, and communities. We continue to take the necessary steps to ensure we are doing our part to keep our communities healthy and safe during the COVID-19 pandemic.

Select branches have re-opened for walk-in business while others continue to only offer curbside pick-up. If you choose to visit one of our branches open for walk-in business, we kindly ask that you adhere to the COVID-19 safety protocols we've implemented to help keep you, our employees, and our communities healthy and safe.

FACE MASKS OR FACE COVERINGS

Mask-wearing policies may vary by region. Please refer to protocols displayed at your local branch. A face mask/covering is highly recommended in indoor public spaces or anywhere physical distancing (6 feet / 2 meters) cannot be maintained.

Whenever possible, we encourage you to place your orders in advance and choose curbside pick-up to minimize in-person contact. Orders can be placed via phone, text, email, FaceTime.

As the situation changes quickly, please visit our website at [iconixww.com](https://www.iconixww.com) for the latest updates.

ICONIX remains dedicated to delivering the products and services you need to keep essential projects running throughout our communities.

We value your business and appreciate your cooperation and understanding.
